ALLAN CAMPBELL (President)

Nominated by: Ian Hovenden

Seconded by: Brian Thomson

I have been president of the club for the last year. Over the past decade or so, I have variously held positions as committee member, vice president and president of Waitemata CTC.

For my primary day job, I run a software development company serving customers worldwide. My previous experience has included working in a range of organisations in the Telecoms, IT, Finance and Tourism industries. I am a member of the NZ Institute of Directors and on a voluntary basis, assist NZ and Scottish governmental organisations in providing guidance to companies aiming to internationalise.

Whilst I usually shoot DTL and regularly shoot Island and National events, I also enjoy shooting trench, skeet and sporting on a more occasional basis. Waitemata CTC is currently fortunate to have a very good committee and I would like to continue to add my skills and efforts to those of the other committee members.

BRIAN THOMSON (Vice President)

Nominated by: Bente Henry

Seconded by: David Henry

I joined Waitemata CTC in 2016 and have thoroughly enjoyed the camaraderie of the club members. I joined the committee in 2018 and have enjoyed my time working with the committee. I have had the privilege to watch the club go forward every year, hence my application to stand again as Vice President and to carry on to do my best for the club.

HAMISH MACLEOD (Vice President) and (Committee)

Nominated by: John Tonkin

Seconded by: Brian Thomson

I have been on the committee for the last four years and enjoying contributing with maintenance and improvement projects at the club. I have a diverse range of skills and experience that I believe can be of assistance with our club.

Shooting experience; I previously mostly competed in DTL and represented NZ in McIntosh and Glenn Cup teams before taking up ISU trench and skeet. I was club captain for multiple years at Hutt Valley Clay Target Club.

Business and not for profit experiences; I have had a career in IT and property companies and continuing to be an investor in multiple NZ business sectors. I've also had 16 years in the not-for profit sector as a volunteer and Chairman of Shine (www.2shine.nz), the largest agency in NZ with a range of services supporting victims of domestic abuse including refuge homes.

I believe I can contribute to our club if elected to our committee and as one of our two Vice Presidents.

IAN HOVENDEN (Committee)

Nominated by: Allan Campbell
Seconded by: Gordon Lambert

I have been a former president and I am currently the Club Captain. I have been a member for a number of years and I am also a Life Member. I would like to continue to serve the club moving forward.

JOHN TONKIN (Committee)

Nominated by: David Henry
Seconded by: Bente Henry

Life Member of the Waitemata Clay Target Club and committee member for approximately 16 years.

I am a competitive Skeet and Trap shooter.

Keen to see the club run successfully.

DAVID HENRY (Committee)

Nominated by: John Tonkin

Seconded by: Bente Henry

I want to ensure a healthy future for sport shooting in these restrictive times. I am a keen shooter and I would like to grow the competitive side of skeet in the club by getting more of the practice only shooters into club level competition. I am also wanting to keep the cost of shooting as reasonable as possible in the current financial climate. I am also on the NZCTA skeet subcommittee.

ANDREW BOWLEY (Committee)

Nominated by: Bente Henry

Seconded by: David Henry

I have been involved on the committee for the last three years.

MATT BARKER (Committee)

Nominated by: Anne Trautvetter

Seconded by: David Trautvetter

Present committee member, skills in sporting and Compak. Have been on various boards over the last 20 years and in the education sector for 35 years.

ALASTAIR GAIR (Committee)

Nominated by: Ian Hovenden

Seconded by: Matt Barker

I am a builder, have been a member of the club for 2 years and a committee member for one year. I would like to see the club grow and prosper.

PHILLIP CORBOY (Committee)

Nominated by: Bente Henry

Seconded by: David Henry

I subscribe to the view that the committee should always follow prudent business practices when administering the Club and its finances. However, in doing so the committee must focus on creating the best possible outcomes for members, by keeping costs affordable and providing the best possible facilities.

In my short stint as a committee member I have been astonished at the work it takes to keep the Club running and the costs involved in administering Waitemata Clay Target Club. It is a constant battle to keep expenses from escalating without compromising on what the Club provides to its members.

I consider the current committee has performed very well, especially given the challenging economic times we currently find ourselves in. I would appreciate the opportunity to serve another term as an executive committee member for the Waitemata Clay Target Club.

FRANCESCA FANTINO (Committee)

Nominated by: David Henry
Seconded by: Bente Henry

I have been involved in the club management in the past in different roles, and I am happy to continue to help again as much as I can.

NICK ROGERS (Committee)

Nominated by: Brian Thomson
Seconded by: Allan Campbell

I am a marketing professional working for one of New Zealand's largest privately owned tyre and automotive retailers. I have been a club member for the past 12 months, regularly taking part in skeet practice and competitions.

With a background in marketing and experience as a past secretary for a non-profit organisation, I have skills in communication, organisation and member engagement that I believe could add value to the club.

If elected, my focus would be to assist wherever needed and help the club continue to grow and thrive for the benefit of all members.

I am passionate about the sport and keen to contribute to the ongoing success of the club.
